EMA/ NEW PART-TIME EMPLOYEE:

Ryan came before the Council tonight to request a new part-time employee. This new employee will work on keeping all the Counties radios updated. Currently the only ones

that are getting updated is the Sheriff Deputies. The County has over 760 radios in the county and we need someone to constantly be doing these updates, not only for the deputies, but the Ambulances, Vol. Fire Dept., City Police and City Fire. Currently the Sheriff has one guy that can update the radios for them, but for him to do this, he is pulled off the road to come in and do this. With this position the EMA office can have 3 people in his office and be reimbursed by Homeland Security for 50% of the salary, this would leave only around \$13,000.00 that the county would be responsible for. This would be one person for 28 hours a week at \$20.00 hour. Motion to approve the posting and hiring of this job was made by Smith, seconded by Caldwell, approved 6-0

There being no further business a motion to adjourn was made by Smith, seconded by Langkabel, approved 6-0
