MISCELLANEOUS:

COUNTY VOL. FIRE CHIEFS / LIT TAX HB 1454:

Dean Tyner with Fountaintown Volunteer Fire Department wanted to talk with the Council about the LIT Tax Rate. Tyner talked about the need for all Vol. Fire Departments needing money. Prices are going up and Volunteer numbers are going down and most of the Vol. Fire Departments need to hiring Part-time people. Tyner advised Rush County just raised their LIT rate five basis points and are passing that portion on to the Vol. Fire Departments. This would really help the Shelby County Departments. Councilman Titus suggested the Fire Departments go together and approach the public and get their feedback. Hole meetings and explain this to the public. Kyle Pruitt Chief at Waldron does not really agree with taking it to the public, Don Kun Chief for Manilla explained most residents do not know what kind of cost the fire departments have and what it takes to run it. Councilman Barlow asked them about putting a survey together on Facebook and let the residents take it and look at the feedback. The Council would like the Fire Departments to look into going to the public and even going to Fire Territories. This was information only; no action was taken.
