PLAN COMMISSION / COMPREHENSIVE PLAN UPDATE:

Sam Booth wanted to update the Council on the Shelby County Comprehensive Plan. In October he sent out request for bids for the Consultant. He received 8 proposals back and with the City they interviewed 5 of the 8. Last week Sam, Commissioner Nigh, Doug Warnecke and Adam Rude from the City of Shelbyville sat back down with one of the companies and feel comfortable going with HWC Engineering, they will have a 5-member team working with us, that have previously done Rushville, Martinsville, Franklin and some other counties. This will be an 8 – 10-month process but should have it done before the end of the year. The counties cost will be \$69,400.00. Sam is asking for the funding to proceed with the project. At this time Smith advised this would be a good project to take from EDIT, they will need to sit down and discuss this with the Commissioners and will let the Auditor Office know by February 5, 2018 for the February advertisement. Titus asked Booth if they had picked the committee yet, Booth advised not at this time, but if the Council has some input they would be happy to listen. This was all information only.
