MISCELLANEOUS:

PROSECUTOR:

Brad Landwerlen wanted to talk to the Council regarding the position he had talked to them about last year. Brad advised last year a grant had come up to help pay for another prosecutor. This is a grant, but it is a 75-25 percent grant. Brad advised they won't know if they received the STOP grant until probably next month, but if they don't take it now then they will probably not be able to apply for it again and have a chance of receiving it. Brad advised with the Casino, the county has added new officers, courts, etc., but never a

prosecutor and things are probably going to get worse with the live tables. Brad advised they have needed another prosecutor for a while now and if we don't take advantage of the Grant it may come to the County having to pay for the whole position. This was information only; no action was taken.

COUNCIL HIRING FREEZE:

Titus presented the Council with Ordinance 2019-07 to implement a Hiring Freeze. Titus advised this will not affect grant employees or temporary summer time help. Motion to approve Ordinance 2019-07 was made by Smith, Seconded by Langkabel, approved 7-0

BRIAN ASHER / SCDC:

Brian wanted to come before the Council tonight to thank both the County Council and County Commissioners for all their help on purchasing the Tindall Site. Thru this purchase we were able to bring Greenleaf to the County, because we already had the land ready to hand over to them and not have to go thru purchasing it from the church and negotiating things. Greenleaf will start building soon.

Titus wanted to thank Brian for all his hard work.

This was information only.

There being no further business a motion to adjourn was made by Smith, seconded by Asher, approved 7-0
