CLERK/ VOTING MACHINES:

Jill presented the Council with a request to replace her current 81 voting machines. These machines are 20 years old and the necessary reprogramming and updating each election cycle is proving more and more difficult. Plus, it is harder to get replacement parts. They received a quote in the amount of \$228,000.00 which is good for 90 days. Attorney Jason Clark expressed a concern that the bid is above the threshold and may require an additional quote. However, Clark advised there is a clause in the statute that may allow her to go ahead and use this quote. Motion was made by Sanders to have Jill work with Jason to ensure proper procedure is followed, seconded by Claxton, approved 7-0.

SHERIFF:

Sheriff Koch let the council know they started on the 3rd elevator and the repairs shouldn't be much longer.
