The Morristown branch has seeds you can have and plant them at home. Teens have a soundproof room for gaming, we have a genealogy section. We strive to offer something to everyone. Brandy Graves is the new library director but is not new to the library. Brandy has been at the library for over 20 years. Brandy advised they have lots of cool programs going, game night and therapy dogs coming in, mini horses coming in. They are partnering with the animal shelter for an adoption day. They have a reading program for kids and if they read so many books during the summer they will get to go to a free pool party at the Meridian Pool. This was information only; no action was needed.
